

linelube Honing Oil

Product Description

linelube Honing Oil 15 is a versatile cutting oil blended from top quality solvent refined base oils together with special additives - A honing oil high in extreme pressure performance and low in viscosity.

Features & Benefits

- Excellent tool life and component surface finish
- Extreme Pressure Performance

Applications

linelube Honing Oil is developed to provide excellent results on a variety of honing operations, and similar metal cutting operations.

Typical Test Data

Appearance	Clear
Specific Gravity @ 15.5°C	0.846
Kinematic Viscosity @ 40°C	15.0
Kinematic Viscosity @ 100°C	3.45
Viscosity Index	105
Flash Point (°C)	196
